Location: All Saints Church, Old School Road, North Dalton, YO25 9UX

Applicant: Mr Oliver Byass

Application Type: Tree Works in a Conservation Area

Council were advised that the Church have permission from the faculty to do this work. The tree has a huge wound and is suffering from ash die back.

It was proposed by Cllr Cowham and seconded by Cllr Horspool that no objection be raised to this application Resolved.

489. To discuss and agree on proposals from ERYC re village gateways

Following an on line meetings with Ward Cllr Hammond a director of ERYC we have been advised that the installation of the proposed gates must be done by ERYC. The bollards have been removed from the project, on safety grounds. ERYC have given an initial quote of £19,000 for supply and fit of the gateways. The clerk has requested a full breakdown of costs. ERYC have advised that they can probably improve on the quote, and again the clerk has requested this information in writing. Meanwhile, the PC need to obtain their own quotes and then apply for funding in order to move forward. Further meeting with ERYC proposed for mid-January.

Meeting closed at 7.12pm

Signed as a true record.
